He was a blacksmith by trade and conducted a shop successfully at Napton for many years. He also operated a grist mill at Napton for a long time. A Mistake

Col Stone made quite a mistake when he said the party at Anthony Huff's was a dance. The Col. was not there and Mr. Huff says it is against his religion to have it made known as such. The party was well attended and the music was fine but no dance.

Takes Laudanum

Allie Grey, a colored woman, 30 years old, who lives near Blosser attempted suicide Saturday at the home of Tillie Cranberry on 31 street, by taking a half ounce of laudanum and also tried to take a dose of carbolic acid but it was taken from her. CONVENTION TO BE
HELD IN ST. LOUIS

Missouri Republicans To
Meet on April, 25th

At the meeting of the State Committee in Kansas City Friday it was decided to hold the State Republican convention in St. Louis on Thursday, April 25th.

At this meeting delegates to the National Convention will be chosen.

In the meantime our county committee must give twenty days notice before April 15th as to how our delegates to the St. Louis convention are to be chosen on that date (April 15th). Our representation at the state convention will be one delegate for every 300 votes or fraction thereof cast for President Taft in 1908.

The meeting in Kansas City was well attended and there was no and Taft elements. When the enfranchisement between the Roosevelt forerunners were mentioned, Chairman Morris said "Why should we endorse? We do not make the president—the people do that."

Several thousand dollars were pledged to carry on the defense in the election contest cases.

At the joint meeting and banquet at the Coates House Friday night there was an attendance of about 400 and a splendid program. Capt. Henry King of the Globe Democrat was toastmaster and instructive talks were made by Gov. Hadley, Secretary of Commerce Nagel and others. Gov. Hadley and Col. Roosevelt names were greeted with unusual enthusiasm. When the Governor got up to speak the entire assembly rose and for a long time there was a shouting and waving of handkerchiefs as is seldom seen outside of a political meeting.

Governor Hadley's address dwelt largely on the congressional redistricting plan and other live questions which we will take up from time to time.

Mrs. McGregor is Recovering

Mrs. McGregor, the actress in Flower of the Ranch Co., who was shot in the head by her husband Wednesday, Jan. 24, at the Howard hotel, is recovering from the wound nicely. An operation was performed on her Wednesday to remove the shattered piece of skull that was pressing on the brain. The impact of the bullet cracked and dented the skull and it was necessary to remove about a square inch of it to relieve the pressure on the brain. As the part removed was so small the doctors did not place a silver plate on it as it will grow together. The operation was performed by doctors Scrutchedfield, Hall, Connell and Harris. Mrs. McGregor is bearing her injuries bravely and endeavors to content herself as much as possible as she says she realizes that it is best for her.

Her mother, Mrs. Henry Patrick of Oklahoma City, arrived Tuesday and her brother Mr. Simmons of Springfield, Mo., came in yesterday morning to see her.

Dangerously Ill

Mrs. C. G. Fox is dangerously ill at the home of her parents, Mr. and Mrs. James L. England on Salt Pond. As we go to press it is thought she cannot live throughout the day. The little son born to her Saturday only lived a short time and Mrs. Fox has been in a critical condition since that time.

A Brotherly Act

A number of the members of the M. W. A. Camp at Napton met at the home of their brother, W. A. Smith who lives near Wilton Springs Wednesday with teams and wagons and gathered his crop of corn. Mr. Smith has been unable to do any work for several months on account of his back and then to cause the family more trouble and sorrow their boy was badly hurt just before Christmas by a horse falling on him and he is just now able to be around.

But his "brothers" did not forget him in his distress and came to his assistance, which always can be counted on in the M. W. A.
